4. Supply of images in digital format: Our images are digital files supplied in RGB colour space. You may save/download low-resolution watermarked images (or "comps") for layout, testing and evaluation purposes. Rights may not be assigned, nor may the image(s) submitted to you be loaned, supplied or transferred to third parties, without our written permission.

6b. No reproduction rights are granted by virtue of delivery of images: Your right to reproduce an image arises only if (a) licence terms are agreed and (b) our invoice relating to the grant of such rights is paid in full. Any reproduction before payment of the invoice or outside the terms of any licence constitutes an infringement of copyright and also a breach of this Agreement entitling us to rescind and claim damages. You must indemnify us in respect of any claims, damages, costs or expenses we incur arising from any reproduction without licence of any image supplied to you.

7. Fee agreements: If you have a fee agreement with NMM, this will be applied to your invoices. Fees for image use beyond the scope of a fee agreement must be negotiated specifically.

8. Picture credits: You must credit us each time an image is used, unless agreed otherwise. Our credit line is '© National Maritime Museum, Greenwich, London', unless otherwise stated on the image. Where space is limited, abbreviations such as '© NMM' are acceptable but must be agreed with us in writing. Image captions and image numbers should be included in picture credits whenever possible.

10. Consent: You must satisfy yourself that all necessary rights, model releases or consents, which may be required for reproduction, are obtained. We make no claim or warranty with regard to your use of names, people, trademarks or copyright material depicted in any image.

11. Use of material supplied: Any Image provided by the NMM is for the purpose of giving visual access to historical material held in our collection. The use of these Images for any current project which involves construction, modification, restoration or safety evaluations are done so at the risk of the Licensee. This includes, but is not limited to, buildings, vessels, furniture, props and models.

12. Image manipulation: Images may be cropped, positioned, enlarged or reduced but must not be changed or manipulated, nor the meaning of the original work distorted. Images must not be altered without our prior written consent. When an Image is cropped for reproduction, this should be indicated by adding '(detail)' to the picture caption.

13. Artist's Reference: The Museum does not permit replicas of any items in its collection for commercial purposes unless a licence has been granted. Written permission must be obtained from us before use of our Images for artist's reference (this includes requests from commercial model makers, set designers, sign painters and film/TV researchers).

14. Third party assignment: Pictures supplied to the customer and artwork, printing plates, digital files and film separations using the picture or any part of it shall not be lent, sold or otherwise circulated to a third party. License rights granted are personal to you and are not assignable by you to any third party. If we agree in writing that you may license use of any NMM Image to a third party, you will ensure by written agreement with the third party that they are restricted by licence terms forbidding the distribution, copying and further use of our Image(s). 17. Voucher: The Client shall supply one copy of any publication, broadcast or electronic reproduction containing any Reproduction of any Image, free of charge within two weeks of creation. Evidence of print runs, transmissions and web access must be made available to NMM on request.

18. Non-payment: You must pay our invoice within 30 days of issue, with the exception of newspapers, book publishers, periodicals and broadcasting clients where payment shall be made no later than 30 days after publication or use. If you do not pay in accordance with the above, we may rescind this agreement and recover damages, or charge interest at the rate prescribed by the Late Payment of Commercial Debts (Interest) Act 1998 from the date payment was due until payment is made. Any license rights granted by us are automatically terminated if you are unable to pay your debts when due. Any licence granted will terminate immediately if you (a) enter into voluntary or compulsory liquidation; (b) have a receiver appointed; or (c) fail to perform any of your obligations under these Terms and Conditions within 28 days of our giving you notice to comply. In the event of termination, all rights granted will immediately revert to us and any further exploitation of any Image shall constitute an infringement of copyright.

19. Cancellation: If, after invoicing but before payment, the Client requests cancellation of the Licence, NMM may at its discretion agree to cancel the Licence, subject to the Client paying a cancellation fee of 20% of the invoice total, with a minimum of £50 + VAT paid for all invoices to cover administration fees. Admin fees for Images are non-refundable.

20. Overseas Customers: The NMM is a UK-based organisation and all prices are in Pounds Sterling. If you are placing an order from overseas, your card issuer or transaction agency may convert the charged sum into your local currency. You accept that exchange rates vary constantly and that this may affect the final amount you pay in your local currency, or are quoted by our staff or on our website.

21. Use of your personal data: Any personal data you supply NMM with as part of your contract with us will be stored in our image licensing system hosted by a third party supplier which is fully compliant with the Data Protection Act 2018. Your data is accessible only to authorised members of staff and shall be retained for the length of our contract.

22. Termination: This agreement will terminate if you a) enter into voluntary or compulsory liquidation or insolvency, b) have a receiver appointed, c) fail to meet any of your obligations under the terms of this agreement and fail to remedy within 30 days of written notice.
